SEPTEMBER 2020 EDITION

ACCESS CONTROL SYSTEMS

OJEU REF 2019/S 202-492055
 AWARDED 17/03/2020
 EXPIRES 16/03/2024

This framework supports our customers with access to a fully managed and responsive Access Control service.

The framework covers servicing, maintenance and installation of:

- Door Entry Systems
- Fire and Intruder Alarms and Emergency Lighting
- Warden Call Systems

We've included a Combination Lot for customers who want one contractor to carry out all elements in one contract, or a combination of more than one workstream.

LOT 1 Door Entry Systems

LOT 2 Fire Alarms and Emergency Lighting

LOT 3 Warden Call Systems

LOT 4 Combination Lot
